Attendance at the SGX3 Gateway Conference 2024

Bozeman, MT

OCT 8 – 10, 2024

SGX3 Gateway Conference 2024 was an eventful workshop. From registration at the conference to the very closing session, all participants were thoroughly impacted.

The following tells some of the story of the events:

1. Dr Olamide Tawose (Faculty Participant from Lincoln University of Pennsylvania), having just left the registration stand, excited, made progress into the Conference Hall

2. Food served as attendees treated themselves to an exquisite continental breakfast at the conference
